which are listed below and on the accompanying Form PTO/SB/08. Since each of the items identified in the present information disclosure statement is a United States patent document, under current Patent and Trademark Office guidelines, copies of the documents are not required to be submitted with the present statement.

United States Patent Documents

1. United States application No. 08/465,322, filed 5 June 1995, to SODERLUND *et al.*;
2. United States application No. 09/258,216, filed 26 February 1999, to SODERLUND *et al.*;
and
3. United States patent No. 5,221,518 to MILLS.

The attorneys for the applicants take no position on whether or not any item identified above and listed on Form PTO/SB/08 constitutes prior art against the subject application under any particular provision of Title 35 of the United States Code.

An Office Action was issued on 26 November 2004 in connection with the subject patent application and a reply to the Office Action was submitted to the Patent and Trademark Office by mail with a certificate of mailing on 28 February 2005, the first business day following the day set for a reply. According to the "Patent Application Information Retrieval" web page of today for the subject application on the web site of the United States Patent and Trademark Office, the reply of 28 February 2005 has been entered into the official image file wrapper of the application, but no final Office Action or Notice of Allowance has been issued with respect to the subject application. Consequently, the fee required under 37 CFR 1.97 for submission of the present information disclosure statement at this time is estimated to be one hundred eighty dollars (\$180). A check in the estimated amount accompanies the present information disclosure
